

# Unlocked!

## Day 2 - Prayer Sheet

## Keys

Doing the right thing isn't easy people especially if people are mean to you.  
We met some Bible characters today who kept doing the right thing no matter what.  
While Joseph was in prison he worked hard and became in charge of the prison.

## Matthew 16:19

### “I will give you the keys to the kingdom of heaven”

**ACTION** - Cut out the keys, and label them with situations that you want God to “unlock” the good into. Then you can use them as bookmarks or place them around your room to remind you to pray.

**PRAYER** - God, These are the bad things I want you to end, God you are in charge of everything. Please “open up” good in these situations. Amen
